

Name: Ahmet Yılmaz

Address: Çorum, Turkey

Phone: +90 532 123 4567

Email: ahmet.yilmaz@example.com

LinkedIn: [linkedin.com/in/ahmetyilmaz](https://www.linkedin.com/in/ahmetyilmaz)

## Education

Hitit University, Çorum, Turkey

Master's Degree, Computer Engineering

September 2021 - June 2023

Thesis: Image Classification with Deep Learning

Hitit University, Çorum, Turkey

Bachelor's Degree, Computer Engineering

September 2017 - June 2021

Capstone Project: Turkish Text Analysis with Natural Language Processing

## Professional Experience

ABC Technology, Ankara, Turkey

Artificial Intelligence Engineer

July 2023 - June 2024

Developed and implemented prediction models using customer data.

Created and optimized deep learning models using Python and TensorFlow.

Conducted data analysis and visualization for projects.

XYZ Research Center, Istanbul, Turkey

Research Assistant

June 2021 - July 2023

Developed machine learning algorithms for large datasets.

Published research findings in academic journals and presented at international conferences.

## Skills

Programming Languages: Python, C++, Java

Artificial Intelligence: TensorFlow, Keras, PyTorch, scikit-learn

Data Analysis: Pandas, NumPy, Matplotlib, Seaborn

Research and Academic Publications

Project Management and Team Collaboration

Advanced English Proficiency

## Certifications

Artificial Intelligence and Machine Learning Certificate, Coursera (2022)

Deep Learning Specialization, Udacity (2023)

## Publications and Presentations

Yılmaz, A., & Kara, B. (2023). "Deep Learning for Image Classification in Medical Imaging." International Conference on Artificial Intelligence.

Yılmaz, A. (2022). "Natural Language Processing for Turkish Text Analysis." Journal of Computer Science.
